Jerry Ttuyan

Computer Science Student

jerryttuyan@gmail.com | jerry.is | github.com/jerryttuyan | x.com/jerryttuyan

I'm a computer science student at California State University, Northridge, with interests in software development, AI, and design. My projects range from web applications to wearable technology, combining programming with an interest in how people interact with what I build.

Work Experience

Operations

Dicks Sporting Goods

October 2019 - January 2023

Initially hired as a seasonal position, over the years I worked at almost every position of the store. I started out in apparel, later expanding to other departments, as a cashier, did cleaning, did customer shipments, took in the stores overnight product shipments, processed returns and defective merchandise to be removed from inventory, did inventory for my store as well as other locations.

Crew Member

Pacific Theatres

November 2018 - July 2019

I performed a myriad of tasks including guest services, cleaning, food preparation, restocking, and operating point of sales. I've met a lot of people and enjoyed my time there. My biggest takeaway from the job was building self confidence and people skills.

Education

California State University, Northridge

Bachelor of Science in Computer Science

Transferred to CSUN in the spring to finish my bachelor's degree in computer science.

Glendale Community College

Associate of Science in Computer Science

Completed my associate degree in computer science before transferring to CSUN.

Tools I Have Worked With

Blender / After Effects / Photoshop / Illustrator / Premiere Pro / Audacity / Unity / Lens Studio / Figma / Visual Studio Code / Xcode / Jupyter Notebook / SQL / C++ / Python / Java / JavaScript / HTML / CSS / Git / GitHub
